

Informing the Public on the Process of Filing a Racial Profiling Complaint with the Hutto Police Department

The Texas Racial Profiling Law requires that police agencies provide information to the public regarding the manner in which to file a racial profiling complaint. In an effort to comply with this particular component, the Hutto Police Department launched an educational campaign aimed at informing the public on issues relevant to the racial profiling complaint process.

The police department made available, in the lobby area and on its website, information relevant to filing a complaint on a racial profiling violation by a Hutto Police Officer. It is believed that through these efforts, the community has been properly informed of the new policies and the complaint processes relevant to racial profiling.
